Mr. Aiello has received approximately 1000 hours of initial and specific Canine Handler training. This training was provided by LaMaster Canine Training and Adlerhorst Canine Training. This training included basic tracking, area searching, handler protection, article searches, canine recall, guard and bark and narcotics detection.

Mr. Aiello served as a Senior Police Officer, where he was responsible for supervising shifts, training his team, managing their expectations and relaying Department Objectives and Expectations. Mr. Aiello also investigated complaints regarding service and was responsible for providing that information to his superiors. Mr. Aiello also assisted in service related matters and public contacts.

Mr. Aiello followed the Incident Command System (ICS) which is a standardized approach to the command, control, and coordination of emergency response providing a common hierarchy within which responders from multiple agencies can be effective. Mr. Aiello used ICS when coordinating on critical incidents that required help from local, state and federal agencies.

Mr. Aiello continually used the SARA Model "Scan Analysis Respond Assess" provided by the Office of Community Oriented Policing Services, US Department of Justice to detect problems within his community. Mr. Aiello was able to recognize key and specific site related traffic problems and recommended a plan to correct them. Mr. Aiello wrote a proposal which was approved by the site, Police Department and Traffic Committee which was implemented and relieved the problem.

Mr. Aiello received numerous letters of Commendation and Recognition for his work performance and ethic during his employment as a Police Officer. These Commendations were from both his employer Agencies and the Communities he worked in.

Mr. Aiello was recognized by the school district he worked in during the 2016 school year for mentoring and providing guidance to his students which included "Lunch with Officer Ronnie". This program brought together students who were nominated by their teachers for their behavior or achievements. These students met weekly with Mr. Aiello and were given the opportunity to meet each other, explain their goals and where they were from. Mr. Aiello provided lunch to the students at his own expense and often had guest speakers meet with the students.
